Welcome to June!

June brings with it graduations, weddings, Father's Day, and Vacation Bible School... traditionally. Jaroslav Pelikan accurately stated, "Tradition is the living faith of the dead; traditionalism is the dead faith of the living."

When living faith is transmitted from generation to generation, we know why we do what we do as we do it. The tradition has deep meaning and is shared across the generations when there is living faith.

On the contrary, traditionalism is doing something without having a real clue as to why it is done; just do it. For example, there are many who celebrate a "Jesus-free" Christmas. While traditionalism runs rampant, we know it really has nothing to do with Rudolph, Frosty, or Black Friday. Others quite literally celebrate the birth of Jesus religiously. Similarly, many celebrate Easter without the reality of the resurrection of Jesus from the dead. We celebrate this cosmic reality knowing it really has nothing to do with eggs, bunnies, or chocolate... it involves a living faith.

The trick in walking the journey faithfully seems to involve keeping Jesus at the center, rather than as an optional accessory. There is a fancy word to describe this way of thinking, this way of living, this way of serving: Christocentric.

June is also a traditional time of growing. This June, as we seek to live Christocentric lives, may the realities of Jesus birth, death, resurrection, ascension and sending of the Spirit be so much a part of our lives, that we continue the living faith of the dead – the tradition - of bearing Christ into the world. This will happen in concrete ways as the Holy Spirit puts you in position to be Christ to the neighbor in need. Conversely, you may need to allow your neighbor to be Christ to you in your time of need!

As we well know, the subtlety with which traditionalism creeps into our lives may keep us from seeing it coming. (This also happens in our civic celebrations all too easily, but that's a different discussion for a different publication.) In this season of growth, may the Holy Spirit of the Living God keep our hearts and our minds Christ-centered, so that we might bear the living Christ into a world in need.

GOLD CANYON WORSHIP

"I have other sheep that do not belong to this fold. I must bring them also, and they will listen to my voice. So there will be one flock, one shepherd." - John 10:16 NRSV

Jesus is passionate about all of the sheep, including those outside of the fold. We have been so richly blessed with a wonderful community of worshippers by the Holy Spirit. At the same time, as we take Jesus seriously, we are filling up at our 10 am service. This virtually prohibits us from inviting or welcoming others from outside of "this fold."

Church growth experts argue that a sanctuary is functionally full when it reaches 80% of capacity (some people like a little personal space). There are a limited number of solutions available, only a few which make sense: 1. Push out the walls to add more seating; 2. Build a larger sanctuary; 3. Add additional worship time(s) to make room.

As a coordinating committee, we have been wrestling for two months as to how to do this faithfully. We would like to invite you, as part of the Gold Canyon branch of Our Savior's Lutheran, to join us in prayer and fasting on Saturday, May 19th, to seek God's wisdom on how we might reach more of those whom Jesus so loves. So far, we have looked at three options for high season:

<u>Current</u>	<u>Option A</u>	<u>Option B</u>	<u>Option C</u>
Saturday – 4 PM	Saturday – 4 PM	Saturday – 4 PM	Saturday – 4 PM
Sunday – 8 AM	Sunday – 7:45 AM	Sunday – 7:30 AM	Sunday – 8 AM
Sunday – Open	Sunday – 9 AM	Sunday – 9 AM	Sunday – 9:30 AM
Sunday – 10 AM	Sunday – 10:15 AM	Sunday – 10:30 AM	Sunday – 11 AM

By adding a service between the two Sunday services, we allow room for all of us to welcome and invite those who are not of "this fold." As with any change, there is the unknown. Yet God continually calls us out of our comfort zones to expand God's kingdom work.

One of the beauties of our worship space, is that with our flexible seating, we can arrange the chairs to reflect the size of the worshipping community to a point. We can expand/contract our seating as necessary on a week-to-week basis. If this is indeed of God, we can all expectantly participate in what God is doing in our midst.

At a minimum, join with us in prayer and fasting, as together we seek the mind of God in our worship. Please email your thoughts, insights, and ideas to: Janice Cunningham jrcunningham@centurylink.net or visit with one of your coordinating committee members:
