EAST MESA SUMMER HOURS

9 am to 3 pm Monday—Thursday

9 am to Noon Friday

GOLD CANYON OFFICE HOURS

What a difference seven years makes! When I wrote my first newsletter article for you, we were looking at changing leaves (for the last time, so we thought), selling our snowblower and lawnmower, and gifting our snow shovels to our neighbors. Guess what?

Following the call of God is a fascinating journey. One always must follow by faith. Yet it is only in hindsight that one often clearly sees the purposes of God.

As we have time to reflect on these past seven years, it is quite amazing what God has accomplished through Our Savior's Lutheran Church. I can see exactly why God called me to come and serve with and among you... now. It wasn't always so clear coming into the call. God does not often call us to do the easy thing; but God always calls us to do the faithful thing.

With that in mind, the way in which I measure "success" is not what many would think. The only question I ask is, "Have I been faithful?" This answer is what allows me to sleep well at night (unless I am plagued by moving details!!).

As Louise and I have been saying our "God be with ye's," we recall amazing details of our journey with you. We are grateful that it happened. Whenever I am tempted to mourn the ending of something, I am reminded of a great quote often attributed to Dr. Seuss, "Don't cry because it's over, smile because it happened."

When we look back on our time together, reflecting on all that God has done, we will smile. (I'll have to admit that there are times when we are sad that it is over.)

While my call as your pastor ends, know that God has already been at work preparing your new pastor, just as God had prepared me. Please know you will always hold a special place in our hearts, for no one on this journey of interwoven paths can venture off unchanged.

We will always wonder with you what God might be up to through the people of Our Savior's Lutheran Church.

May God grant you the faith to follow and blessedness of hindsight!

Pastor Bill (and Louise) Rindy

A Time of Change, A Time of Celebration

We have seen many changes in the last couple of years and most of us do not like change. I think one thing that bothers us about change is that we feel we have no control over them. What we do have control over is how we react to change. What are our choices? We can scream, cry, curse at the heavens, stand around in jaw dropping amazement or we can celebrate.

We at Our Saviors are facing an opportunity to celebrate. Pr. Bill Rindy has accepted a call to Bismarck, North Dakota. I know he and his wife Louise spent a lot of time in prayer, listening to the Holy Spirit and evaluating options before making this decision. We have benefited greatly from the almost 7 years Pr. Bill has spent with us preaching, teaching, listening, guiding... All of you can add to this list. We will greatly miss him. However, we have a wonderful opportunity to say "Thanks". August 8th is Pr. Bill's last day. He will be preaching at the 9 o'clock service at Gold Canyon where the Vice President elect of the Grand Canyon Synod, Barbara Carl, will be leading an Order for Farewell and Godspeed. This service will be repeated at 1030 at East Mesa. Coffee and Cake will be served after the 1030 service.

Please join us to celebrate all your wonderful memories with Pr. Bill and Louise.

Janice Cunningham,
OSL Council President

Heat Respite

Heat Respite was designated as our May Mission but the need for respite from the heat is ongoing for the homeless during the summer months. Any time you might wish to donate more water please feel free to bring it to either East Mesa or Gold Canyon. Your mission team will see to it that it is delivered.

Evangelical Lutheran Church in America
God's work. Our hands.

What is a Lutheran?

Lutherans are **Christians who follow the teachings of Martin Luther**. Luther was a German theologian who realized that there were significant differences between what he read in the Bible and the practices of the Roman Catholic Church at that time. In October 31 of 1517 Luther wrote to challenge these practices that came to be known as The 95 Theses. His hope was that the church would reform its practice and preaching to be more consistent with the Word of God as contained in the Bible. Today, nearly five centuries later, Lutherans still hold to the basic principles of Luther's theological teachings:

- **We are saved by the grace of God alone**; which can only be earned through faith – not by anything we do.
- **The Gospel is the norm for faith and life** – the true standard by which teachings and doctrines are to be judged.

Over the years, different Lutheran church bodies have been established and organized to meet the needs of Lutherans in communities and nations all over the world. Our Savior's is a congregational member of the Evangelical Lutheran Church in America (ELCA), which is the largest Lutheran group in North America. The ELCA is part of a reforming movement within the whole Christian church. As a part of practicing our faith, we have engaged in **ecumenical** dialogue with other Christian church bodies which has produced cooperate "full communion" agreements (sharing common convictions about theology, mission and worship) with several other Protestant denominations including Episcopalians, Presbyterians, Methodists and the United Church of Christ.

We believe that we are called and empowered by the Holy Spirit to **live out our lives in service** to the world. Through acts of love and justice, worship and witness, we share God's boundless love with the world. Through Christ, we are united with other Christians and we recognize a wide fellowship of churches. We work alongside them in ecumenical ministry and service.

Our Lutheran Faith is a faith tradition that is **open to all**, regardless of background. We welcome you to learn more about our church and find out how we can help you along life's path.

Happy Birthday
