### EAST MESA SUMMER HOURS

9 am to 3 pm Monday—Thursday

9 am to Noon Friday

***“Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God in Christ Jesus for you.”***

1 Thessalonians 5: 16 – 18

Dear sisters and brothers in Christ,

Pray without ceasing is an instruction that appears many times in Scripture. Prayer is such an important part of our connection to God, for after all, prayer is how we communicate with God, prayer is how we talk to God. Good and frequent communication is essential in any relationship and our relationship with God is no exception.

It is difficult to grow in faith without an active prayer life. Psalm 116 reminds us of God's faithful attentiveness when we come to God in prayer: ***“I love the Lord, who has heard my voice, and listened to my supplication, for the Lord has given ear to me whenever I called.”***

Having an active prayer life takes some intentional effort on our part. And, perhaps if you are like me – you appreciate the help of the community in lifting our prayers to God. I particularly like to pray with other people. In nearly every congregation that I have served, I have invited the congregation to join me in weekly prayer time.

The time in prayer takes this form: we do a brief check in with each person so that they can express their prayer requests, a Psalm or other Scripture reading is offered, there is a brief time for silent prayer or meditation, and then I, or another participant, leads the group in praying for that day's prayer requests and those of the larger community.

Beginning in October, we will be offering opportunities for the congregation to come together in weekly midweek prayer, both in person and on Zoom. This is the schedule for weekly prayer; all of these times are on Wednesdays beginning on October 13th:

- On Zoom at 8:30 am — look for the Zoom info in the weekly e-news & weekly worship handouts)
- 3 pm in the chapel in East Mesa
- 4:30 pm in the Forum Room in Gold Canyon.

**Weekly prayer  
schedule;  
Wednesdays  
beginning  
October 13th**

8:30am on **Zoom** —look for the Zoom info in *News in the Pews* and *E-News*.

**In Person:**  
3pm East Mesa Chapel  
4:30 Gold Canyon sanctuary

I hope that you will join us for prayer at one of these times. It is my hope and prayer that gathering for midweek prayer will strengthen the faith of those attending. Please come and join in prayer whenever you can.

Remember these words from 1Thessalonians 5: 16 – 18:

***“Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God in Christ Jesus for you.”***

Abundant blessings,  
*Pastor Doris Nolan*  
Transitional Senior Pastor

## Reminders from Pastor Tina

We are all grateful to be back in worship singing and praying out loud. We all rejoice that we were able to let go of the tight restrictions we had for a time. Yet the Covid-19 virus and its variants are still a part of the world we live in, so we do want to remind everyone of the ways we are still working to protect one another.

-There is hand sanitizer available at the entrances and exits.

-At both the Gold Canyon and East Mesa campuses, there are sections of the sanctuary that are set aside for greater distance between worshipers and mask wearing. If you sit in these sections, please wear a mask.

-The CDC recommends that those who are not vaccinated do wear masks and maintain a 6 foot distance.

-The CDC is now recommending that all people wear masks when they attend indoor worship, even if they are vaccinated.

-If you are showing any symptoms of illness, we ask that you worship from home by watching the recorded services that are available by going to the Worship page of our website [www.oslcaz.org](http://www.oslcaz.org). The services are also available on Facebook and YouTube.

-Please notify the office if you have been diagnosed with Covid-19 following attendance at worship. These results will not be shared, they will be used to watch for any indication that people contracted the virus at worship.

Cases of Covid-19 are on the rise in our area. People who are vaccinated make up a low percentage of those new cases. Given the increase in cases we do want you to be aware of the change in recommendations from the CDC.

# WELCOME!

OCTOBER - the month most "die hard" Arizonians look forward to...cooler weather! But one of the things I look forward to is the return of our friends who summer "up north." The past two years have been so crazy no matter where you live, but I truly hope this winter we will be able to see old friends back among us again. When you do return, I ask you to stop at the **Welcome Desk** either at the East Mesa Campus or the Gold Canyon Campus and let us know you have returned and if there are any changes in your address, phone number or email address so we can update our records.

It has been my privilege as a member of the Evangelism Committee to perform the Ministry of Membership, inviting attendees to join OSLC. Even with the craziness, we have been able to welcome a few new people into our fold. I am aware that many of you have been worshipping with us on line and over the phone. Maybe if you have not already done so, you might consider this year the year you become a Member or Associate Member.

An **Associate Member** does not lose their membership in their "home" church, but are given voting rights and the privilege of serving on committees and on council at OSLC.

**Full Membership** would be the transferring of your membership from your "home" church to OSLC.

OSLC is in a time of transition. We are very fortunate to have Pastor Doris Nolan as our Interim Pastor. We are still getting great sermons, reminding us of the love of God and the sacrifice of Jesus Christ. She is the perfect person to help us through this time. **If you do not feel comfortable not wearing a mask**, you are welcome to wear one and if you don't feel comfortable mingling among others, we have reserved a section in the sanctuary a little apart for just that reason. We want people to feel comfortable and safe as we gather in worship.

We hope to see new and returning faces again back in worship. In the meantime, stay healthy, have safe travels and we hope to see you soon.

Jacky Rothbard

## MINISTER OF DISCIPLESHIP - OCTOBER

Kim McCracken, Ministry Coordinator

### A PERSONAL THANK YOU!

It has been one month since the passing of my son-in-law, Taylor Koppendrayer, and although we still do not know the cause of his death, our family has been comforted by your words, your prayers, and your love! Thank you all for sharing the love and light of Jesus during this difficult time.

**Journey to Seminary-** I just wanted to provide an update on my journey to Seminary: I had a Psychological Evaluation on September 16<sup>th</sup> to make sure there are no red flags and that I have the mental stability and fortitude to enter into Candidacy. My next step is the interview process which will be November 5<sup>th</sup>.

### CHILDREN, YOUTH AND FAMILY MINISTRY

Congratulations and Blessings to Oliver Greer  
in celebration of his Baptism on  
Sunday, September 12<sup>th</sup>, 2021!!

We had a great response to our Holy SPIRIT month! The goal was to get the whole body of the congregation excited for Sunday School! We collected an abundance of shoes and some toilet paper. Hopefully the congregation (including the children and youth) had some fun!! All the donations will be given to the Native American Urban Ministry/Grace Lutheran Church.

## CHILDREN, YOUTH AND FAMILY MINISTRY

Sunday School Rally Day was a lot of fun. We had 4 or 5 families that attended with a total of 8 children. We were joined by more mature members of the congregation who were also celebrating Pr. Doris' first Sunday with us! We shared a meal together, enjoyed cake, played games, and won prizes!

Our First Day of Sunday School for the 2021-21 Sunday School year was well attended. We had 9 Elementary aged kids, 4 Junior high students and 2 High School Students.

We have a few students receiving Bibles. There will be a Bible Milestone Class on Sunday, September 26, following 10:30 worship at East Mesa. Parents will present their child with their Bibles on Family Style Sunday at East Mesa on October 3<sup>rd</sup> during the 10:30 worship service.

We will have a Family Fellowship Event following 10:30 Worship at East Mesa on Sunday, October 3<sup>rd</sup>. We will have lunch together and then head over to Skateland on Southern in Mesa. The cost for skating will be 10.00 per person which includes skate rental. If you wear pink in observance of Breast Cancer awareness, you will receive a pick glow necklace.

## OUR YOUTH

Our First Affirmation/Confirmation class went well; we will have a class of 5 students. Affirmation will meet the 2<sup>nd</sup> and 4<sup>th</sup> Sunday of the month except for November, December, and May.

Planning for Lutheran Campformation is underway! Dates are July 3<sup>rd</sup> – 8<sup>th</sup>, 2022. We have 6 youth who are eligible to go as campers and 4 who can go as counselors or GAP counselors. if you would like more information about Lutheran Campformation go to [www.lutherancampformation.org](http://www.lutherancampformation.org)

**ELCA Youth Gathering-** Prep and planning is also underway for the ELCA Youth Gathering. Early registration opened September 22, 2022. We currently have two youth who have expressed an interest. Youth Gathering is a fun experience for youth in grades 8 through 12. I feel that all youth should experience the Gathering at least once! You can learn more about the ELCA Youth Gathering by watching this video <https://www.youtube.com/watch?v=CJXWc11otWc> ELCA Youth Gathering is July 24-28, 2022 in Minneapolis, MN.

## The Transition Process

The interim period between the leaving of a called senior pastor until the arrival of the next called senior pastor is a time of great opportunity as well as some challenges in the life of a congregation. The interim or transitional senior pastor is responsible to care for the congregation and lead it in a review of its past history – celebrating its high points and offering transparency and comfort regarding difficult times in its history, clarifying its current ministry opportunities and challenges as well as identifying its future mission and ministry goals.

The congregation will be led through these important tasks:

- 1.) reconnecting to its history;
- 2.) developing a clear identify in line with current circumstances;
- 3.) adjusting to leadership shifts;
- 4.) visioning the preferred future for this congregation and making the necessary adjustments;
- 5.) Writing the Ministry Site Profile (**MSP**) – this document describes the ministry and mission of Our Savior’s and this is what prospective pastors will read to assess if they are good candidates for the senior pastor call at Our Savior’s;
- 6.) A call committee will be formed and they will interview candidates identified by the Bishop’s office as suitable candidates for the senior pastor position.

A **Transition Team** will be assembled to work with the transitional senior pastor and the church council to lead the congregation through these first two steps and to complete step #5. Many opportunities will be offered so that everyone’s thoughts and hopes for this congregation will be heard. The church council and coordinating committees will address steps 3 & 4.

In more normal times, the transition process generally takes between 8 and 18 months. However, because of Covid and its ripple effect on all aspects of our lives, it is likely more realistic to extend this timeline to 12 to 24 months.

Throughout this interim period, it is important that we all be centered in prayer, trusting that the Holy Spirit will guide and direct us as we are about the work of transition.

More information about this process will be provided on a regular basis.

If you have questions, please contact Pastor Doris at [doris@oslcaz.org](mailto:doris@oslcaz.org) or call her at 480-984-5555, ext. 308.

In your daily prayers, please add this prayer for the congregation:

*Loving God, be with the people of Our Savior’s Lutheran Church; help us during this time of transition. Lead us and guide us; fill our leaders with your wisdom and bless all who will be willing to take on extra responsibilities to serve on the Transition Team. Keep us mindful of the work you would have us do and bless our efforts. Keep us always aware of your presence with us, and your love surrounding us; in Jesus’ name, we pray. Amen.*

## Council and Coordinating Committee Minutes:

Normally these are included in the monthly newsletter, and they will continue to be included in the future. However, we will be sharing the minutes after the council and each of the coordinating committees have approved the minutes of their respective meetings. This means there will be a month's lag time.

The September meetings were held, the minutes were recorded, and they will be approved by the council and the two campus coordinating committees at their October meetings. Then they will be printed in the November newsletter.

If you have any questions, or would like more information about this change, please contact Pastor Doris at [doris@oslcaz.org](mailto:doris@oslcaz.org).

## OCTOBER MISSION - QUILTERS

The quilters of OSLC are a group of women who work tirelessly to provide quilts and blankets to those in need. The results of their efforts comfort people at the Native American Urban Ministry Silver Creek Assisted Living, Lutheran Social Services, Concordia Charter and Veterans to name just a few. Throughout the year they continually need fabric, batting, thread, etc. To date they have produced 64 large, 68 lap, 64 baby, 3 Vets as well as 75 cuddly blankets they call "Tussys. Newcomers who like to quilt are more than welcome. They meet at the church on Thursday mornings. If interested contact the church office. This is our chance to support the women who provide comfort to so many.
